WAS A BOY AGAIN.

Colonel M. A. Moore, the genial and popular traveling agent of the Galveston News, was in Bryan yesterday, and while here went out to A. & M. to look after interests on the campus, where the News has a good circulation. Mr. Moore met a number of cadets with whom he was acquainted and spent the evening very enjoyably.

At 6 o'clock—when the first call of the bugle was sounded for formation—the Galveston colonel was invited to dine with the corps and being of the newspaper type never refuses to "eat" and accepted the cordial invitation by his friend. He said, "It was a most enjoyable occasion, the meal was excellent and the boys were in fine spirits. It reminded me of old times when I was a student at the A. & M. College of Alabama a few years ago."

We believe all our friend Moore had to say about A. & M. We are sure he enjoyed the associations of the young men at college; we believe he enjoyed his supper that the capable supervisor, B. Shisa, prepared for the meal, but we have some doubt about the time which has elapsed since he was a cadet in Alabama. In regard to his age, he is like that feature of a woman—he doesn't like to talk. However, he did feel young again on this occasion, and we are glad he did enjoy himself a little. Occasionally we hear of such happenings to a newspaper man.

CAPTAIN J. EARL PRESTON.

Died, at 4:10 p. m. Tuesday, February 2, 1915, Captain J. Earl Preston, aged 73 years, 8 months and 16 days.

Deceased was a native of Virginia and first saw the light of day at the home of his parents in Bedford County, the date of his birth being April 14, 1841. If our information is not incorrect, Captain Preston moved to Texas in 1866, settling in Hillsboro, where he continued to reside until 1875, when he moved to Navasota with his wife and two or three children, occupying the site now known as the Shaw home. Captain Preston practiced law at Navasota and throughout the county for several years, when he took his family to Marlin, then a promising young town. The health of the family was anything but good there, three children passing away in a few months, so the family returned to Navasota in 1884 and have continued to reside here ever since.

Captain Preston was a man of scholarly attainments and a Chesterfield of the old school. Well versed in the law, his counsel was sought far and wide and he was known all over Texas. For a number of years preceding his death he had not actively engaged in court work, owing to failing health. For the past year he was confined to his room owing to a succession of paralytic strokes and his death has been but a question of time throughout this period. He leaves a devoted wife and four children—W. C. Preston of Fort Worth, Mrs. T. H. Sage of Galveston, O. B. Preston of Fort Worth and Mrs. W. E. Burk of Fort Worth—all of whom arrived last night. Mrs. Burk was present throughout the last month's illness of her father.

The funeral occurred this afternoon at 2:30 and was under the auspices of Navasota Lodge No. 299, Ancient Free and Accepted Masons, of which organization deceased had long been a member. A number of beautiful floral offerings attested the love and esteem in which this estimable family is held. —Navasota Examiner.

REV. GEORGE W. MORROW.

Sixteen Years on Firing Line—Field Secretary Anti-Saloon League.

"Mr. Morrow is a most earnest, energetic and forceful worker in the cause which he has espoused. I have heard him before great audiences; and he was like a lion waked out of a sleep. I have met him once face to

face and he was as gentle as a woman. He has the spirit both of fairness and of fight, and a vigilant foe has never been able to embarrass him."—Rev. James M. Barkley, D. D., Detroit, ex-moderator Presbyterian General Assembly.

This notable speaker will be in Bryan Friday and deliver an address at the Methodist Church in the evening at 7:30 o'clock. The public is invited to attend.

SUNDAY SCHOOL INSTITUTE.

An Appeal to All Interested in Sunday School Work to Attend.

The Sunday School Superintendents' Association desires and urges every Sunday school teacher and worker in Brazos County and surrounding towns to attend the Wiggins lectures Monday night, Tuesday during the day and Tuesday night. It is expected that every Sunday school teacher in Bryan will attend the convention exercises during the two days. There will be something new every minute of the time. The work is interdenominational and all of the Sunday schools of Bryan are taking a very active interest in this work.

INTERURBAN CAR COMING.

Expected to Reach Here Tonight or in the Morning.

W. S. Wilson, agent for the Houston & Texas Central Railroad here, informed an Eagle representative today that the new electric car for the Bryan-College Interurban was received by his road from the Katy at Denison yesterday. Mr. Wilson expects the car to arrive in Bryan some time tonight or tomorrow morning on the southbound local freight. This will be good news to the people of Bryan and College, but far better to the officials of the road.

LEAVES FOR MARKET.

James H. Webb, buyer for the old and popular dry goods house of Webb Bros., left this afternoon for New York to purchase spring and summer goods for his firm. He was joined here by W. W. Sangster, buyer for Templeman & Son of Navasota, and they will make the trip together. Mr. Webb will spend some time in New York visiting the various wholesale establishments, and will devote his personal attention to the selection of one of the completest, as well as the latest lines of ladies' spring coat suits and dresses ever brought to Bryan. He will also select an unsurpassed line of fashionable dress fabrics and furnishings and a superb line of ladies' underwear. It will be his purpose to give the ladies of Bryan and vicinity as complete line to select from as is to be found in the larger cities. The other lines to be purchased will be absolutely dependable and such as will meet every demand of this community.

TABOR DIVIDED HONORS.

Boys Defeated Baptists, But Girls Were Beaten by High School.

The boys' and girls' basketball teams of the school at Tabor drove into Bryan yesterday afternoon and divided honors with their opponents in two games. The boys defeated Bryan Baptist Academy by a score of 18 to 4, and the girls were defeated by the high school girls to the tune of 27 to 11.

The Baptist Academy game was played on the home court and was a good game despite the fact that the academy boys were outclassed by their opponents.

The high school girls again demonstrated their cleverness and good team work by outplaying and defeating the Tabor girls. The game was the fastest and one of the best played of the season, but the high school's team work and excellent goal throwing dispelled all doubt as to who would win the game long before the second half was over.

The team goes to Calvert tomorrow afternoon to play the high school team of that city.
